

About Global-e

Globale U.K. Limited (“Global-e”) is a global fulfillment partner, handling international online orders for many leading brands (selected countries supported). Through the services rendered by Global-e, international shoppers enjoy a localized experience whereby you place your order with Global-e in your local currency, and all the shipping costs, customs duties and other taxes can be calculated, presented and paid during the checkout so that your cross-border shopping experience is seamless.

Depending on your geography, payment may be routed through Global-e Australia Pty Ltd., our affiliate.
